GIVING GOODS TO KIDS IN NEED

# workplace giving

**EMPLOYER INFORMATION**

## working together to create the greatest collective impact possible

Workplace giving is a simple way to regularly donate to charities or organisations that are entitled to receive tax deductible donations.

As Treasure Boxes is an organisation with ongoing deductible gift recipient (DGR) status, employees can claim the donations they pay on your tax every financial year, or benefit weekly if preferred.

### why support Treasure Boxes Inc?

Treasure Boxes Inc is an SA based, Not For Profit children's charity providing vital essentials to newborns, babies and children living in severe disadvantage within our community. Driven by a profound purpose, they seek to empower the vulnerable and disadvantaged, providing hope and creating a positive change within the community.

**Since 2015, Treasure Boxes has single-handedly supported over 417 infants, children and babies in South Australia, and provided over \$347,000 in goods to families to ensure that their children are safe, nurtured & provided for.**

Despite only emerging in the last few years, they are currently one of the most exciting and impactful children's charities in Australia. Not only is their impact increasing on a weekly basis, with more and more infants and children being supported by their service, but they are providing a sustainable way to reduce landfill by using pre-loved and recycled goods and repurposing them directly to where the need is the highest.

Help us to create a long-lasting change for SA babies and kids.
