INFORMATION FOR YOU

Good for you, good for the environment

Please be aware that items may be a mix of good-quality preloved and new items.

All items have been thoroughly safety checked and quality controlled by our skilled team of volunteers and staff before being packed into a Treasure Box, ensuring that the goods you receive are of the highest standard.

Why do we recycle items?

- * To support our environment by repurposing good quality items that have plenty of love and life left in them.
- * To ensure that we can provide essential items for all families at an affordable cost.
